

Dear Parents,

The culture our children live in today embraces and promotes ideas, values, and morals that ignore the existence of God and dismiss His Word – the Bible. One sphere of influence where this is particularly evident is public education. Therefore, we as parents must be more discerning and intentional as we manage the influences that impact our children at school.

There are many ways we can manage these influences. One option is private Christian schooling. We at Crossroads Christian Schools are thankful for the opportunity to partner with parents in providing students an education that promotes faith in Christ and the development of a Christian worldview. We believe it's crucial for the next generation to have a God-fearing remnant of men and women who love Jesus Christ and live to honor and serve Him. Christian schooling is one tool that can contribute to this end.

In an effort to make the option of Christian schooling accessible to as many families as possible, our Pastoral Team and Board of Elders have decided to offer a special tuition rate of \$2750 per year for all new students enrolling for the 2009/2010 school year. This introductory offer applies exclusively to the first year of enrollment and is valid at all grade levels (kindergarten – eighth grade).

Enrollment applications are now being accepted. For more information or to schedule a tour of the school, contact the school office at 530.268.2597. We look forward to meeting you and hope we can partner with you in your children's education.
