Car Pools Parents may notate on their registration forms whether or not they would like their contact information entered into a database for car pool purposes. Parents may then make their own contacts and arrangements.

Dress Code We desire that school dress be appropriate, modest, and safe for school

activities. Believing that God has given the responsibility for the nurture and care of your child to you, we are leaving the matter of clothing selection to you. However, in the case of questionable or immodest dress, the school will contact the parents to bring a change of clothes.

Hot Lunch Our hot lunch program is provided by local fast food vendors such as Arby's and Subway Sandwiches and Round Table Pizza at a reasonable cost to the students.

Discipline The school uses the assertive discipline method for correcting behavior problems. Prayer and counseling, together with the warning/natural consequence/detention system, are usually very effective. Repeat offenders will be sent to the Principal for prayer, exhortation, and if necessary, a parent conference.

Spiritual Life Bible study and prayer are an integral part of our school. Each day will begin with prayer and Bible study. Chapels will be held each week. It is our desire that each of our students comes to know Jesus Christ in a personal way.
